Expanded portfolio edition / Version 2.2 / November 2026

Working standards for review and approval

A connected care brand

An at-a-glance guide to the business and the approved positioning direction.

BRAND NAME

Spinning Top Drycleaners & Launderers

Brand essence: professional care that makes everyday life easier.

SEVEN BUSINESS AREAS

01	Laundry
02	Wet Cleaning & Dry Cleaning
03	Tailor Repairs & Alterations
04	Shoe Repair / Cobbler
05	Upholstery, Rug & Pest Control
06	Laundry, Hygiene & Household Product Sales
07	Training Academy

HOW TO USE THIS BOOK

Apply these standards consistently to signage, service menus, staff uniforms, packaging, product listings, course materials, social channels, customer communications, and the website.

PRIMARY IDEA / Better care. Easier living. Brighter futures.

Purpose, mission & vision

An integrated approach to care, hygiene and skills development that improves everyday life.

MISSION

To enhance everyday living through exceptional laundry and fabric care, professional cleaning and repair services, quality hygiene and household products, and industry-focused skills training. We are committed to delivering convenience, quality and lasting value through skilled professionals, innovative solutions, responsible practices and a customer-first approach.

VISION

To become a leading and trusted brand in integrated care, hygiene and professional training solutions across Nigeria and beyond, setting new standards in service excellence, innovation and customer satisfaction while improving lives and creating opportunities for growth.

WORKING BRAND PURPOSE

To help people and organisations care for garments, living spaces and essential hygiene needs, while transferring practical skills to the next generation of professionals.

VALUES THAT SHOW UP IN PRACTICE

CORE VALUE

Care

Inspect items and understand customer instructions.

CORE VALUE

Excellence

Follow fit-for-purpose processes and quality checks.

CORE VALUE

Reliability

Give clear quotes, service scope and realistic deadlines.

CORE VALUE

Integrity

Be accurate about risks, product claims and outcomes.

CORE VALUE

Respect

Protect customers, workers, learners and property.

CORE VALUE

Improvement

Use feedback and training to raise standards.

BRAND PROMISE / Careful service. Clear communication. Everyday convenience.

Positioning & audiences

Professional without feeling distant. Modern without becoming complicated.

POSITIONING STATEMENT

For busy individuals, households and organisations, Spinning Top offers coordinated laundry, garment and home-care services, supported by practical product supply and professional skills training.

CORE AUDIENCES & MESSAGES

Professionals	Ease, speed, dependable handover	**“Protect your time. Leave the garment care to us.”**
Families & households	Clothing, home textiles, peace of mind	**“Care for the things your family uses every day.”**
Corporate clients	Accountability, scope, invoicing	**“A clear service plan for your organisation.”**
Product buyers	Suitability, price, safe use	**“Find the right laundry and hygiene essentials.”**
Academy learners	Skills, safety, hands-on knowledge	**“Learn the techniques behind professional care.”**

Brand architecture

Use one master identity across three clear commercial pillars.

01

CARE SERVICES

Laundry, wet/dry cleaning, repairs, upholstery/rugs and pest control.

02

PRODUCT SHOP

Laundry, hygiene and household products for individual and business buyers.

03

TRAINING ACADEMY

Learning programmes in fabric care, service operations and related skills.

NAMING RULES

- Keep Spinning Top as the master brand in every formal application.
- Use Services, Shop and Academy as descriptive navigation labels; they are not yet separate approved logos or legal entities.
- Use one consistent naming system for every quote, receipt, social profile, product label, course and website page.

Service naming convention “Spinning Top” + clear service description. Example: “Spinning Top | Shoe Repair & Cobbler Services”.

Everyday & garment care

Customer-facing descriptions, backed by clear service boundaries.

Laundry

Customer promise Everyday and household washable items cleaned and neatly finished.

Show in marketing Sorting, washing, finishing, folding and packaging.

Service note Wash-and-fold / wash-and-iron options should be quoted according to availability.

Wet Cleaning

Customer promise Professional water-based cleaning for suitable garments and textiles.

Show in marketing Fabric assessment, appropriate programmes and careful finishing.

Service note Do not imply wet cleaning is suitable for every fabric or stain.

Dry Cleaning

Customer promise Professional care for suitable delicate or specialty garments.

Show in marketing Pre-inspection, cleaning process and final quality checks.

Service note Assess labels and items; communicate stain and handling limitations.

Tailor Repair & Alteration

Customer promise Repairs and fit adjustments that support longer garment use.

Show in marketing Hemming, adjustments and repair examples when available.

Service note Confirm item condition, measurements, scope and completion date before work.

SERVICE RULE / Inspect first. Explain scope. Confirm price. Check the result.

Specialist care & premises

For every specialist job, assessment and safety come before advertising a result.

Shoe Repair / Cobbler Services

Customer promise Care, selected repairs and restoration support for appropriate footwear.

Show in marketing Show genuine cleaning, soles, stitching and restoration work where offered.

Service note Availability depends on material and item condition; provide an agreed quote.

Upholstery & Rug Cleaning

Customer promise Cleaning support for selected chairs, sofas, rugs and other suitable furnishings.

Show in marketing Show inspection, fabric identification, responsible cleaning and drying checks.

Service note Provide scope and test suitability; avoid universal stain-removal promises.

Pest Control

Customer promise Assessment-led pest management for agreed residential or commercial premises.

Show in marketing Explain site inspection, treatment preparation, exclusion periods and follow-up.

Service note Operate only through appropriately qualified personnel and applicable safety/authorisation procedures; do not guarantee eradication.

Scope note The earlier materials separately listed janitorial services and fumigation. This edition follows the updated user-specified portfolio; add other categories only after confirming they remain active.

Product shop & Training Academy

Two commercial extensions, both supported by the same Spinning Top identity.

RETAIL DIVISION

Laundry, hygiene & household products

Suggested categories: detergents, fabric-care agents, cleaning tools, disinfectants, protective accessories, and other approved household essentials.

EDUCATION DIVISION

Spinning Top Training Academy

Proposed course areas include laundry operations, wet and dry cleaning, stain treatment, ironing, fabric care, business management, customer service and occupational safety.

MARKET EACH OFFER ACCURATELY

- Shop: list what is actually stocked, with accurate product descriptions, instructions, pricing and availability.
- Academy: describe confirmed course modules, duration, trainer qualifications, fees and learning outcomes.
- Certificates: distinguish participation / completion certificates from external accreditation or professional licensing.
- Partner or wholesale offers: make bulk pricing, trade terms and availability subject to written confirmation.

ONE STANDARD / Useful expertise, transparent information, dependable service.

Logo usage & clear space

Use supplied master artwork without altering the emblem or wordmark.

PRIMARY APPLICATION RULES

- Prefer the original full-width logo on white or very light backgrounds.
- Allow clear space around the full logo at least equal to the height of the “S” in SPINNING.
- On the brand-blue background, use only an approved white/reversed master logo.
- Use the emblem alone at small sizes only if an approved emblem-only master exists.
- Never recolour, stretch, distort, rotate, place over busy images or rebuild the lettering.

Master assets to maintain Original vector logo (SVG/PDF), high-resolution PNG, approved reversed version, favicon/emblem artwork and licensing notes. The supplied logo image is the reference used in this book.

Colour & typography

Use blue as the recognition anchor; neutrals keep information readable.

Spinning Top Blue

#0000FE

Charcoal

TYPEFACE HIERARCHY

DISPLAY / HEADLINES

Fontspring Demo Organtto Bold only if properly licensed; fallback Arial or Helvetica Bold.

SUBHEADINGS

Arial / Helvetica Bold. Use sentence case and clear, predictable structure.

BODY / INFORMATION

Arial / Helvetica Regular. Prioritise mobile readability for prices and instructions.

Accessibility standard: maintain strong text/background contrast. Avoid light grey text on white, and avoid long all-caps paragraphs.

Photography & graphics

Make craftsmanship and visible care the hero of the visual system.

1	**People & place**	Real staff, clean facilities and safety-conscious working environments; obtain permission for identifiable subjects.
2	**Process**	Inspection, fabric identification, sorting, spotting, finishing, protective packing, shoe repair and training demonstrations.
3	**Results**	Use genuine and comparable before/after imagery only when permission is documented. No implied guarantees.
4	**Retail**	Well-lit product packs, readable labels, scale and use-case photography; do not obscure warnings.
5	**Academy**	Authentic classroom, hands-on practice, equipment and learning material - never fictitious certificates.
6	**Graphic language**	Clean geometric blocks, bold blue headings, ample whitespace, restrained line icons and consistent image crops.

Never: fabric-damage guarantees, fake reviews, invented credentials, watermarked stock imagery, generic “chemical-free” claims or unsafe handling demonstrations.

Brand voice & messages

Clear, reassuring, warm and practically helpful - never exaggerated.

CLEAR	Explain the service, next step and price straightforwardly.
REASSURING	Say how work will be assessed, handled and checked.
CONVENIENT	Make the time-saving benefit relevant to each audience.
PROFESSIONAL	Use accurate details and a respectful, consistent tone.

APPROVED C
MASTER LINE Better Care. Easier Living. Brighter Futures.

CLOTHING CARE From everyday laundry to special-care garments, your items deserve attention.

REPAIRS A useful repair can give your favourite items more life.

HOME CARE Ask about suitable upholstery, rug and pest-management services for your space.

RETAIL Laundry and hygiene essentials, with clear usage information.

ACADEMY Build practical skills with structured learning and supervised practice.

Preferred action: “Request a quote”, “Ask about availability”, “Shop approved products”, or “Enquire about the next training intake”.

Service experience standard

Every channel should deliver one dependable sequence from enquiry to resolution.

01	**Welcome**	Acknowledge the customer and identify the requested service.
02	**Assess**	Inspect item, site or request; record condition, constraints and instructions.
03	**Quote**	Confirm scope, price, risks and estimated timeline before acceptance.
04	**Deliver**	Follow the relevant process and maintain traceable records.
05	**Quality-check**	Inspect service result, packaging, safe use and readiness for handover.
06	**Update & hand over**	Communicate delays early; confirm collection, completion or delivery.
07	**Resolve & learn**	Listen, investigate complaints, explain action and log lessons.

SERVICE ETHIC / No unverified claims. No surprises. Clear follow-through.

Safety, sales & learning standards

Keep retail and Academy promises within confirmed operating capability.

PRODUCT RETAIL

Customer information

Show product identity, intended use, instructions, price, availability, storage or hazard information where relevant. Only claim approvals and certifications that can be evidenced.

ACADEMY

Learner experience

Publish an accurate syllabus, admission criteria, tuition, practical activities, instructor credentials and certificate type. Protect learner information and provide fair grievance handling.

CARE STANDARDS BY SPECIALTY

Textile services	Record garment labels, item count, pre-existing issues and requested finish.
Shoe / tailoring	Photograph or document condition when appropriate and obtain repair approval.
Upholstery / rugs	Assess material compatibility, drying needs and access requirements.
Pest control	Complete site assessment and observe chemical-handling and re-entry safety rules.
Course materials	Keep instructions consistent with current safety procedures and equipment.

Website & commerce roadmap

The uploaded website structure is a proposal, not proof that these features are already live.

HOME	Clear value proposition; Book Service / Shop / Academy enquiry.
ABOUT	Company purpose, team, mission, vision and credibility.
SERVICES	Distinct pages for seven approved business areas.
SHOP	Product categories, stock, price and usage details.
ACADEMY	Courses, schedules, learning outcomes and enrolment details.
CORPORATE	Service requests, site assessment and quotations.
CONTACT	Accurate locations, hours, channels and service enquiries.

RECOMMENDED PHASED IMPLEMENTATION

- Phase 1: consistent identity, service information, contact details, enquiry flows and product catalogue.
- Phase 2: booking, pickup/delivery scheduling, order tracking, online checkout and corporate enquiries.
- Phase 3: Academy learning portal, certificates, loyalty/referrals, analytics and wholesale account tools.

Digital address plan: Current link hub: linktr.ee/spinningtoplaundry. Proposed main website: spinningtop.ng. Do not advertise booking, tracking or checkout until operational.

Social media system

Practical education plus real process evidence should build confidence in the brand.

Service spotlight	What each service is, who it serves, item eligibility.
Care education	Fabric labels, repair care, household hygiene basics.
Behind the scenes	Sorting, finishing, repair, safe site work and teaching.
Convenience	How to enquire, quote, arrange a service and collect.
Retail product guidance	Use cases and precautions for products in stock.
Academy and proof	Confirmed intakes, learner demos, approved testimonials.

POST COMPOSITION

HOOK → ONE BENEFIT → GENUINE PROOF / USEFUL TIP → ONE CALL TO ACTION

Instagram profile concept Spinning Top | Laundry • Repairs • Home Care • Shop • Academy
Professional care for clothes and spaces. Products and practical training. Visit linktr.ee/spinningtoplaundry to enquire.

Corporate & partner communication

Offer a needs-led professional conversation, not unverified institutional credentials.

POTENTIAL CLIENT SECTORS

- **Hotels / hospitality**
- **Schools / hostels**
- **Offices / employers**
- **Healthcare facilities**
- **Property managers**
- **Laundry entrepreneurs**

PROPOSAL PACK ESSENTIALS

- Service and geographic coverage confirmed in writing.
- Capacity, scheduling, minimum quantities, service level and turnaround assumptions.
- Health, safety, privacy and item-handling procedures appropriate to the work.
- Quote validity, payment terms and documented escalation contact.
- Verifiable case examples or references used only with permission.

Corporate message
“Tell us the needs of your organisation. Our team can assess the work, recommend an appropriate scope and prepare a clear quotation.”

A consistent look everywhere

Use the same logo, colours and message across physical and digital touchpoints.

BRANCH SIGNAGE	Blue-and-white dominant. Name large enough to read at distance. List only active services.
UNIFORMS	Neat workwear and proper safety equipment; logo placement consistent; name and role visible.
PACKAGING	Clean garment bags, tags, receipts and care notes. Avoid exposing customer information.
DELIVERY / VEHICLES	Legible logo and one verified booking contact; avoid crowded lists and tiny print.
RETAIL LABELS	Brand-consistent layout, stock/product detail and visible manufacturer safety information.
ACADEMY MATERIAL	Masterbrand on decks, manuals, badges and certificates with correct course details.
DIGITAL & SOCIAL	Shared logo avatar, heading hierarchy, service menu, business details and CTA format.

Consistency is more important than decoration. Keep materials uncluttered and recognisable.

Governance, approval & rollout

This edition is a working brand system; operational details require business confirmation.

BRAND GOVERNANCE

A designated brand owner should approve the master logo, any new service line, marketing claims, campaign messages and high-visibility design. Branch teams should maintain one current source of truth for prices, availability and contact details.

ROLLOUT CHECKLIST

- Confirm all seven service areas, branch-by-branch availability and official category names.
- Approve source logo and deliver production-ready vector, reversed and icon variants.
- Validate product catalogue, compliance information and the Academy syllabus.
- Update service menus, signboards, staff scripts and receipts from the approved catalogue.
- Keep linktr.ee/spinningtoplaundry live as the current link hub; prepare spinningtop.ng as the proposed new website.
- Train frontline staff on assessment, accurate claims and escalation steps.
- Review service and marketing performance monthly; revise this guide when necessary.

Items to confirm: official phone numbers, all branch addresses and opening hours, prices, product SKUs, Academy accreditation, pest-control authorisations, master vector logo, and live launch status of proposed spinningtop.ng. The Linktree is currently accessible.

SPINNING TOP
DRYCLEANERS AND LAUNDERERS

A CLEAR BRAND.

A BROADER PURPOSE.

BETTER CARE. EASIER LIVING. BRIGHTER FUTURES.

Spinning Top is presented through one familiar identity: quality-conscious care services, practical products and skills development.

SOURCE BASIS

Spinning Top Professional Brand Book (October 2026) and Proposed Website Structure for Spinning Top Drycleaners. This new edition incorporates the updated service list supplied in November 2026. Digital features described as proposed remain subject to implementation.

Version 2.2 | Working brand standards | November 2026
